

Your cooperative has always extended a helping hand to those in need. Now, in response to action by the Iowa General Assembly, Farmers Electric Cooperative, Inc has established RECare, a program of members helping members. RECare will provide funds to be distributed by local community action agencies to help pay winter heating bills and to assist in weatherization of low income consumers. You may make a onetime contribution or you may make a monthly pledge that will be automatically added on your monthly electric bill. Even a dollar-a-month pledge will help others! You care, we care-RECare.
